

# Creative Illustrations in Graphite Pencil

**By:** Albert Mukasa Wilson  
Design and Developed by: [Disani Mukasa-Wilson](#)

# Artist at Work

# A Legendary Art Collector

A Graphite Pencil Portrait of Dr. Billy Graham, drawn in 1981 by artist Albert Mukasa Wilson was being presented to the evangelist on a Billy Graham Crusade Rally in North Carolina in 1982, by the artist's late uncle and former Bishop of Kigezi, Uganda, Dr. Festo Kivengere.

# Artist Statement

**Artist:** Albert Mukasa-Wilson

**Born:** March 10, 1954

**Education:** B.A. Industrial Design (Product),  
Central School of Art and Design, London, England  
B.S. Industrial Design (Environmental),  
Art Center College of Design, Pasadena, California

**Statement:** My greatest desire is to bring out the beauty and dignity of any given subject. My compositions encompass personalities and wildlife from all over the world. All subjects have unique features with expressions that depict experiences of survival, endurance and strength. With 40 years of experience in the field, I use only the finest materials. The size of my creations range from 16x20 to 40x60

**Wildlife, African, and Native Art**
